

**GLADIATORS SKILLS FOR SUCCESS: WORKSHOP OVERVIEW****GRADE 11**

<b>TITLE</b>	<b>OVERVIEW</b>
Grass Roots	Ms. White and Ms. Smith will provide us with a look at Grassroots of Howard County and the resources available there, and a discussion on suicide prevention.
Leadership	Mr. Ruehl will present on a leadership discussion that will focus on the unique opportunities at each grade level.
Super Match	Students will work through the College Super Match on their Naviance account. Through this process, students can begin to narrow college choices based on academics and personal interests in colleges. In addition, students can save schools to their favorites, have direct links to the college's website and even use scatter grams to determine their likelihood of acceptance based on Glenelg students' historical data.
Canvas	Students will be given the opportunity to investigate the levels of Canvas and to set up notifications. They will also be creating a video and uploading it to Canvas.
Lunch	
Physical Wellness [New Student Meet and Greet]	New students to Glenelg High School will be provided an opportunity to get to know other students who are new to our school too. Mr. Shaffer/Mr. Cullen will facilitate the meet and greet.
Grade Level Assemblies	Administration
Vehicle Maintenance or HCC	Vehicle Maintenance - Mr. Formica/Mr. Aldrich will provide students with general things that every driver needs to know. Basic vehicle maintenance demonstrations will allow students to know how to change a tire, check the oil etc
Vehicle Maintenance or HCC	HCC - Ms. Slater will discuss the many opportunities available at HCC including signing up to take classes through the jumpstart program before graduation. In addition, HCC has many classes being taught in Howard County Public Schools that articulate college credits once certain criteria is met. Ms. Slater will expose students to various ways they can truly get a Jump Start on college.
Pre-Adulting	Emily (Orchid Center)
Dismissal
