Our Mission

Guided by the Glenelg mission statement, "Developing tomorrow's leaders in a community that values scholarship, citizenship and diversity," students at Glenelg are encouraged to excel academically and to maximize their potential.

1

The word Glenelg is a Palindrome (a word spelled the same in either direction), and coincidentally Glenelg High School's yearbook is titled Palindrome.

2

**Glenelg was built
in 1958 and
boasts a very rich
tradition in the
arts, athletics and
academics.**

3

Gladiators on the Horizon

Glenelg High School is the only high school in the county with a comprehensive mentor program for ALL students new to Glenelg.

At one point Glenelg
had 21 students that
went on to become staff

Once a Gladiator,
Always a Gladiator!!!

About Online Course Requests

Students and parents/guardians will make course requests for electives and alternates online through HCPSS Connect. Please note the following when making your course requests:

- Use the Catalog of Approved High School Courses to review course selections. Please note course descriptions and prerequisites.
- If you do not have access to a computer, need assistance, or want to make changes after the form due date, please contact the counseling office at your student's school.
- If you have concerns about or disagree with any of the course recommendations, you may complete the reverse side of High School Course Registration Form that was sent home.
- Select electives to ensure that you have seven credits requested.
- Select three courses to be used as alternates if an elective is not available or there is a scheduling conflict.

Select Course Requests

1. Access the HCPSS Connect website.
2. On the Home page, click on the **Course Request** option in the left panel. A page displays the student's current recommendations for core classes and graduation status summary.

Health and Balance

BALANCE

Points to remember:

- Rigor of courses and outside work
- Extracurricular activities
- Time for healthy activities [exercise, rest etc.]
- Family commitments
- Priorities and life goals

Balance is the key to everything in life, when you lean more towards one side you neglect the other
